## **Rural Residential Sprawl: What is it? Can it be stopped?**

Zoom Webinar Tuesday, February 16<sup>th</sup>, 4:00 – 5:00 PM Mountain Time

Dear Friends,

Friends of Park County invites you to watch a presentation and informal discussion with Robert Liberty, a consultant for Friends of Park County. Robert will discuss what rural residential sprawl is, where it has been spreading, and how various communities have succeeded in curbing its spread. The last 15 minutes of this hour-long event will be devoted to questions and answers.

**Zoom:** <https://us02web.zoom.us/j/84139085246>

**Meeting ID: 841 3908 5246**      **Passcode: 662530**

A recording of this event will be available later accessible through the Friends of Park County webpages: <http://friendsofparkcounty.org/>

### **About Robert Liberty**

Robert has forty years of experience with planning, land regulation and implementation of those plans to create compact livable cities and to maintain rural lands and resources. He has acquired this experience as an attorney, a

county hearings officer, an elected official and service on various boards and committees. He has visited many places in the Mountain West over the last quarter-century including Park County and Bozeman, to advise citizens and nonprofit organizations.

We are eager to engage you in our work and to continue our progress in keeping Park County the place we are proud to call home.
